

## CDAS – Chairman’s Monthly Letter – March 2019

### Fieldwork

#### **Priory Park**

In this year’s excavation in Priory Park we will open up the trench on Monday 20<sup>th</sup> May and backfill on Tuesday 4<sup>th</sup> June. Excavation will take place between 21<sup>st</sup> May and 3<sup>rd</sup> June. The Novium’s Roman Week coincides with the second week of our dig.

We will be asking for volunteers later this week and I will send out an e-mail to all CDAS Members.

#### **Warblington**

We are still working on the plan for a further excavation at Warblington in September.

#### **Coastal Monitoring**

We have one meeting scheduled for March at Medmerry East when Mike will be the Leader. Peter will be adding further events on a month by month basis and they will be included in future Newsletters. There is no need to contact anyone before the events, just turn up on the day.

### **Activities**

Bookings are now being taken for the following events. To reserve your place, please contact Pauline Blagden at [activities@cdas.info](mailto:activities@cdas.info)

#### **Visit to Arundel Museum**

Date: Wednesday 6 March 2019

Time: 10:30 – 12:30

Location: Arundel Museum, Mill Road, Arundel BN18 9PA. There is a car park in Mill Road. A charge is payable for parking.

Outline: After coffee on arrival, there will be a talk by local author Rosemary Hagedorn on the history of Arundel. You will then have an opportunity to explore the museum with its wide-ranging local collections at your own pace and there will be a steward on hand to answer your questions.

Cost: £5.00 members, £10.00 non-members. Payment is due now. Details of how to pay will be sent when your place is confirmed.

#### **Study Day - The Origins of Coinage and Celtic and Roman coins in Britain led by David Rudling (Sussex School of Archaeology)**

**Almost fully booked so if you want to go please contact Pauline immediately**

Date: Sunday 7 April 2019

Time: 10:30 – 16:30

Location: Location: Fishbourne Roman Palace (Rudkin Room), Roman Way, Fishbourne, Chichester PO19 3QR. There is plenty of parking.

Outline: This study day will start by examining the development of coins and primitive currencies in different parts of the world, especially in Asia Minor, Greece and Republican Rome. Thereafter participants will look in more detail at the coins and other types of currencies used in Britain during the Late Iron Age and Roman periods. By the end of the session they should be familiar with the main sequences of coin types for these periods.

Cost: Members £25, non-members £30 (if places are available). Payment is due now. Details of how to pay will be sent when your place is confirmed.

## **Half day guided visit to Butser Ancient Farm**

Date: Wednesday 15 May 2019

Time: 10:00 – 12:00

Location: Butser Ancient Farm, Charlton Lane, Charlton, Waterlooville PO8 0BG. There is plenty of parking.

Outline: Butser Ancient Farm has extended its original remit of the British Iron Age, with the construction of experimental buildings from the Neolithic, Romano-British, and Early Medieval periods.

Of particular interest at this time are the ongoing extensions of the interpretation of the Sparsholt Romano-British villa, and the construction of the second building from the Church Down 'Anglo-Saxon' site. The villa's interior is undergoing major refurbishment, with the objective of better representing – so far as our understanding permits – a 4<sup>th</sup> century Romano-British domestic villa. Included in the work is the installation of a representation of the mosaic floor from the villa's 'reception room'. We will have a detailed guided tour of the site giving an insight into the experimental archaeology done at the centre for all the periods of history represented.

Cost: Members £15, non-members £20 (if places are available). Payment is due by 1st April 2019. Details of how to pay will be sent when your place is confirmed.

## **Guided Walk: From quarry to church; the greensands of West Sussex led by David and Anne Bone**

**Almost fully booked so if you want to go please contact Pauline immediately**

Date: Tuesday 25 June 2019

Start time: 10:00. This is a full day event.

Location: Meeting point to be confirmed

Outline: During this day-long excursion, we will visit several sites that illustrate the variety of building stones, informally known as 'greensand'. Locations will take in sites of rock extraction to understand the geology, including underground in the historic Marehill Sand Mines near Pulborough, and also visit two churches where the stone can be seen in use.

The provisional itinerary (subject to access permissions being obtained) is:

Amberley – river cliff and castle

Parham – sandpit and house

Marehill – sand mines. We will also stop here for a lunch as we need to use the pub car park.

Pulborough – church

Stopham – church

Participants will need to provide their own transport or arrange a car share, and have a good torch and hard hat to access the Marehill sand mines. Also, but not essential, a high visibility

jacket as we need to walk up a narrow public road to get to the site. Parking will be limited at some sites.

Cost: Members £2.00, non-members £7.00. Please book in advance by contacting Pauline at [activities@cdas.info](mailto:activities@cdas.info) and pay in cash on the day.

### **Other Events**

Here are other events that CDAS Members might be interested in.

#### **Worthing Archaeology Society**
